

Position: NAMI Maricopa Education Coordinator

Mission: To assist NAMI Phoenix, East Valley, West Valley and Southeast Valley implement Education, Support and Advocacy Programs throughout Maricopa County.

Major responsibilities of the Maricopa Education Coordinator

1. **Ensure** all NAMI programs are available and accessible throughout Maricopa County.
2. **Provide** direct logistical support to program presenters, facilitators and teachers.
3. **Increase** public awareness of NAMI, participant interest in becoming NAMI members and resources needed to expand NAMI programs.
4. **Manage** the recruitment, selection and assignment of participants, teachers, facilitators and mentors to specific program events.
5. **Act** as the single point of accountability for all Maricopa County programs.

Requirements:

The person selected as the Maricopa Education Coordinator will be familiar with or have participated in a NAMI education, support or advocacy program. The successful candidate will demonstrate a desire and ability to educate, support and advocate for the needs of individuals receiving behavioral health services and their families. Local travel is required. All applicants must have an AZ Drivers license, proof of insurance, reliable transportation and be willing to use their personal vehicle to travel throughout Maricopa County.

Preference will be given to NAMI members, particularly to those who have previous experience educating, supporting or advocating for individuals and their families and/or have been certified as a trainer, facilitator, mentor or presenter of one of the NAMI signature programs.

Application deadline: June 12, 2009

Please submit resume to:
